

The HEH Heavy Duty Gooseneck Equipment Hauler is engineered for extreme loads and maximum durability with a 22,400 lbs GVWR and 10K Super Single axles. It features a 10" I-beam frame, 2' dovetail, 5'6" slide-in ramps, and a 3/16" diamond plate outer deck frame. Equipped with a mega lockable toolbox, spare tire mount, and winch-ready neck, it ensures strength, convenience, and durability for hauling equipment with confidence.
